Abortion: Women's Rights... and Wrongs - Feminists for Life
Abortion: Women's Rights... and Wrongs. Uncategorized. The abortion debate seems like an unresolvable conflict of rights: the right of women to control their own bodies, the right of children to be born. Can one both support women's rights and oppose abortion?

Abortion and Rape: Answering the Arguments for Abortion Rights
Mar 26, 2009 · Article ID: DA020-2 | By: Francis J. Beckwith. In the first installment of this four-part series we examined a number of arguments for abortion rights which can be classified as appeals to pity. In this article I will present and critique more appeals to pity, along with two additional kinds of argument: appeals to tolerance and ad hominem (literally, "against the person").

Abortion - Wikipedia
Abortion is the termination of a pregnancy by removal or expulsion of an embryo or fetus. An abortion that occurs without intervention is known as a miscarriage or "spontaneous abortion" and occurs in approximately 30% to 40% of pregnancies. When deliberate steps are taken to end a pregnancy, it is called an induced abortion, or less frequently "induced miscarriage".

Religious Views on the Legalization of Abortion - Abortion
Nov 18, 2019 · The churches listed as pro on this page are in favor of abortion being a legal option, rather than being pro the procedure itself. Assemblies of God: CON “Abortion. The Assemblies of God views the practice of abortion as an evil that has been inflicted upon millions of innocent babies and that will threaten millions more in the years to come.

Introduction : Abortion Essay on Abortion
Introduction : Abortion is the termination of a pregnancy by the removal or expulsion from the uterus of a fetus or embryo, resulting in or caused by its death. An abortion can occur spontaneously due to complications during
pregnancy or can be induced, in humans and other species.

A Defense of Abortion - Wikipedia
"A Defense of Abortion" is a moral philosophy essay by Judith Jarvis Thomson first published in Philosophy & Public Affairs in 1971. Granting for the sake of argument that the fetus has a right to life, Thomson uses thought experiments to argue that the fetus's right to life does not override the pregnant woman's right to have jurisdiction over her body, and that induced abortion is therefore

What does the Bible say about abortion? | GotQuestions.org
Oct 11, 2021 · For the Christian, abortion is not a matter of a woman’s right to choose to have a baby. The baby is already present and living. Abortion is a matter of the life or death of a human being made in God’s image (Genesis 1:26–27; 9:6). What does the Bible say about abortion? Simply put, abortion is murder. It is the killing of a human being
